

Telesales Representative Bradford £14,000 - £15,000 Basic + OTE of £25,000 My client is the world leader in data connectivity, with 20 years experience in the software solutions industry. Due to further planned growth they are now looking to recruit Telesales Representatives to join their global organisation. Your main duties will involve: \* Carrying out business to business calls to trade customers offering consumables for office equipment. \* Meeting/exceeding pre-agreed sales targets. \* Buil
